Sherrie-

I decided to just go ahead and propose a few times on the 10<sup>th</sup> that work on both our calendars and if that doesn't work for their folks, we can look at other dates/times. Disregard the earlier email.

Thanks,  
Marc

Their attorney called me on Friday and I asked him to follow up with the email below. Let me know some dates/times that work for you to have this show cause meeting. They may do it by phone instead of in person.

Mr. Weiner:

I am sending this message following our telephone conversation on Friday. As noted, Presto-X (a registered fictitious name of Rentokil North America, Inc.), is interested in discussing a possible early resolution of the allegations that it improperly applied pesticide material at a Wyoming location. Please send any additional information as well as possible dates for a settlement conference to my attention using this email address or the below contact information. Thank you for your attention to this request.

Regards,
